

Prayer List

Liberia, Africa

- Pray for the countries in African, that stable governments will come to power and provide the health, education and economic improvements each country needs.
- Pray for the health and safety of the people of Liberia and other African countries.
- Pray for the missionaries and volunteers like the VanderHooks who give up their own comforts to care for others.
- Pray for those leading the rebel groups and causing the conflict and corruption. Pray that they will see the error of their ways and begin helping their people and communities rather than destroying them.
- Pray for the leaders of the African countries, that they will be honorable people with their countries' best interests in mind when making decisions.
- Pray for the leaders of other countries around the world, that they will stand up to the corrupt leaders and protect the innocent citizens.
- Pray for increased communication and understanding of HIV/AIDS and general health information. Pray that people living in Africa will accept and practice preventive measures for these diseases.
- Pray for the children orphaned by AIDS, war, and poverty.
- Pray for the end of children being forced into serving as soldiers and slaves.
- Pray that the hearts of those more fortunate around the world will be opened and support sent to those needing help in Africa.
- Pray that people around the world will take action against the HIV/AIDS epidemic in Africa, the use of child soldiers worldwide, and the sale of blood diamonds to support wars and terrorism.
